

## Community Engagement in Hazard Mitigation Planning

### Welcome to Our Hazard Mitigation Planning Page

We are committed to ensuring the safety and resilience of our community through comprehensive hazard mitigation planning. We aim to engage with residents, stakeholders, and experts to develop strategies that reduce risks and enhance our community's preparedness for potential hazards.

### Current Initiatives

- **Public Surveys:** While we don't have an active survey, we will have several in the future. We encourage everyone to participate when they become available and share their thoughts. [Click here](#) (Active/Inactive)
- **Stakeholder Meetings:** Regular meetings with local businesses, organizations, and government agencies to gather feedback and collaborate on mitigation strategies.
  - o **Steering Committee Meeting #1~** (List Date when the meeting occurred, location and link)
  - o **Steering Committee Meeting #2~** (List the Date when the meeting is scheduled to occur)
  - o **Steering Committee Meeting #3~** TBD
- **Workshops and Events:** Join us for upcoming workshops and events to learn more about hazard mitigation and how you can contribute.
  - o **Next event~** TBD Location TBD~

### How You Can Get Involved

- **Stay Informed:** Visit this web page and follow us on our social media channels to stay up to date with our progress and upcoming events.
- **Provide Feedback:** Share your thoughts and suggestions through our online feedback form (ISC will create a form you can link to if you want us to).

### Contact Us Directly
